THE POETIC DISASTERS CLUB IS LOOKING FOR ACTORS (INTERNSHIP)

The Poetic Disasters Club is a joined initiative of Club Guy & Roni, het Noord Nederlands Toneel (NNT) and Slagwerk Den Haag (SDH). It is dedicated to the creation of fresh and contemporary repertory, performed by a young, international ensemble. In its 7th season the interdisciplinary cast will include dancers, musicians and actors. We are looking for musicians, actors and dancers in their last year of education, who are curious about the clashing of artistic disciplines. The group focuses on research and development and will produce a wide variety of productions (in theater/ on location etc). The repertory will include productions created by new makers attached to Het Noord Nederlands Toneel, Club Guy & Roni and Slagwerk Den Haag.

INTERESTED?

Please come prepared and see what the work of the NNT, SDH and the Club is like. Currently the performances Dood en zo, and TETRIS Mon Amour are touring the Dutch theatres.
